

2017 SUMMER PROGRAM

THE ENVIRONMENT AND PEOPLE IN GLOBALIZATION

Learn at
Okayama University

How has globalization influenced social and environmental issues in today's world?

You can debate this topic by joining Okayama University's summer seminar! Take classes on subjects related to the **people, culture, and environment** of Okayama in western Japan, and then team up with top Japanese students to present at the International Conference for the Future Generation of World Leaders 2017.
